

To MY Congress Reps.
I am requesting you OPPOSE HR 4026 !!!!!!!!!!!

The Satellite Radio gives a variety and quality that is not available on regular radio. This is a service that I pay for and I feel that the National Association of Broadcasters should not DICTATE what I want to HEAR.

I respectfully urge the FCC to reject the NAB's petition 04-160 and support XM's ability to provide the kind of programming that I demand and deserve.

Respectfully submitted,
Michael Esch
